REF. BLA.A4S 12/2026

May 5, 2026

Subject: Notification of adjustment to the Capital Adequacy Ratio for the year ended December 31, 2025

Attention: The President
The Stock Exchange of Thailand

Bangkok Life Assurance Public Company Limited previously disclosed the capital adequacy ratio for the year ended December 31, 2025, as 373.73% in various reports such as the Annual Information Disclosure Statement/Annual Report 2025 (56-1 one report), Management's Discussion and Analysis for the year ended December 31, 2025, and the Minutes of the Annual General Meeting of Shareholders 2026, etc. However, at the joint meeting between the Office of the Insurance Commission (OIC) and life insurance companies on April 10, 2026, the OIC clarified that during the period when companies have not yet been informed of the screening results as per the Notification of the Registrar Re: Criteria, Methods, and Conditions for Potential and Readiness Assessment under Risk-Based Supervision (Risk Proportionality) of Life Insurance Companies B.E. 2568 (2025), companies must remove the value of their venture capital investments from the calculation of the capital adequacy ratio. As a result, the capital adequacy ratio for the year ended December 31, 2025, has been adjusted to 377.39%. This adjustment has no significant impact on the company's operations.

Please be informed accordingly.

Yours sincerely,

Bangkok Life Assurance
